TECHNICAL & MANDATORY DEVICE CONFIGURATION

- a. **Mobile Network Configuration (APN Settings)**
Once the SIM card is activated, customers must configure their device's APN (Access Point Name) settings to access mobile data services:
 - iOS Devices: Simply download and install the APN profile provided by NITV Telecom.
 - Android Devices: Customers must manually enter the APN settings into their device's network settings.
(Note: APN Setting may not require for BIZ Mobile plans depends on the Mobile device)
- b. **(Device Compatibility Notice:** Devices purchased from outside Japan may not be compatible with Japanese telecom frequency bands. While NITV Telecom will provide support to assist with setup, it cannot be held responsible for device incompatibility issues arising from hardware limitations)
- c. **SIM Card Reissue**
If the SIM card is lost or damaged, a replacement SIM (with the same or a new number) can be issued. A reissue fee of ¥3,850 will apply.
- d. **eSIM Reissue Policy**
For eSIM users, if the customer changes devices or deletes the eSIM profile from their device, a reissue fee of ¥3,850 will be charged each time the eSIM is reissued.
- e. **Plan Changes**
Customers wishing to change their plan must submit a request by the 15th of the month prior to the month in which the change should take effect.

DEVICE RENTAL / POCKET WI-FI TERMS AND CONDITIONS

- a. **Subscription:** Customers are required to pay the first month's bill along with the activation charge at the time of application. A device security deposit may also apply for those who have not completed bank account registration for monthly bill payment.

b. Loss or Damage Liability: The customer is fully responsible for any loss or damage to the rented device or SIM card. In such cases, the following replacement fees will apply:

- Pocket Wi-Fi device/SIM: ¥10,000

c. Return Policy Upon Cancellation: In the event of service cancellation, the rented device and SIM card must be returned within one (1) week of the cancellation date. Failure to return the items may result in additional charges.

d. Contract Period and Early Termination: The minimum contract period for device rental is 2 years. Early termination before the completion of this period will incur a cancellation fee of ¥10,000.

PAYMENT TERMS

- a. **Payment Obligation:** The user agrees to follow NITV Telecom's designated payment methods to settle all monthly service charges as per the terms outlined in the contract.
- b. **Mandatory Bank Auto Transfer:** All customers are required to complete and submit the bank auto-debit registration form accurately. This is the primary method for monthly payment collection.
- c. **Billing Structure:** The Fixed Basic Plan Fee is charged in advance. Voice call charges and other variable usage fees are billed postpaid, based on usage.
- d. **Billing Commencement:** Billing begins on the date the SIM card is issued, following the approval of the customer's application.
- e. **SIM Setup Responsibility:** NITV Telecom will issue a SIM card as per the user's request, and billing will begin from the date of issuance. It is the customer's sole responsibility to properly set up the SIM card in a SIM-free and Japan-compatible device. A setup manual will be provided with the SIM.
- f. **Failed Bank Transfers:** If a bank auto-transfer fails on the first attempt due to insufficient funds, a reprocessing support fee of ¥700 will be added to the second attempt.
- g. **Late Payment Penalty:** A late fee of ¥700 will be charged if the monthly payment is not completed by the due date. This fee will be added to the following month's invoice.
- h. **Billing Statement Availability:** Detailed billing statements will be available only after 45 days from the billing date.
- i. **Payment Misbehavior and Service Termination**
 - If payment is not received within the end of the month, the SIM will be temporarily stopped.
 - If payment is still not received by the 15th of the following month, the SIM will be permanently deactivated, and the original phone number will be unrecoverable.
 - In this case, the customer must pay all outstanding charges and cancellation fees within 30 days.
 - Failure to settle dues within this period may result in legal action in accordance with Japanese law.

Support Terms

- a. **Billing Inquiries:** Billing-related inquiries are handled only during office hours, which are from 10:00 AM to 6:00 PM, based on the Japanese calendar (excluding weekends and public holidays). For assistance, please contact our office directly at 03-5650-5430.
- b. **Processing Time for Plan and Billing Changes:** Requests related to plan changes, billing updates, or payment adjustments may require up to 45 days to be fully processed.
- c. **Service Quality and Network Responsibility:** Since NITV Telecom is an MVNO and thus depends on infrastructure provided by major carriers such as SoftBank, DOCOMO, AU, and others. For any network interruptions, weak signals, or network downtimes, NITV shall not provide any kind of compensations for such disruptions.
- d. **Authorized Support Channels:** Customer service and support for all NITV Telecom plans and services are available exclusively through NITV or its authorized dealers. While our network may operate on infrastructure similar to providers like Docomo, SoftBank or Y!mobile, we have no affiliation with these carriers' retail stores or outlets. These third-party shops are not authorized to access customer information or provide support for NITV Telecom users. Any attempt to seek service through such outlets is considered unauthorized and may lead to incorrect handling.
- e.

REQUIRED DOCUMENTS

- a. Residence Card Copy or Driving License Copy (Both are Based on Japan)
 - b. Passport Copy
 - c. Bank Passbook or ATM Card Copy
 - d. Customer Selfie photo holding Residence Card in one Hand to make sure of original check
 - e. Bank Auto application form shall be filled and provided with proper HANKO within 1 week of the date of SIM issued.
-
